### **FAQ**

**Q: Can I qualify for both programs or only one?**

A: You can participate in one or both! It is totally up to you which goals you want to work towards.

**Q: If I don't meet the requirements for the first sales level, can I participate the following month?**

A: No. You have to meet the goal for the first sales level in order to participate the next month. If you meet the goal in the first month but not the second, you cannot participate in the third month.

**Q: Can you explain "cumulative"?**

A: Cumulative means that the sales/recruits accumulate from the first day that you sign up. So in order to meet the first sales goal for instance, you would need to reach \$150 in personal sales total in order to participate the next month. That \$150 carries over to month 2, when you would need a total of \$300 in personal sales in order to participate in month 3.

**Q: Explain 'sign up month' and how that counts in the program.**

A: Your sign up month is when you first signed up to be a Mineralicious! Consultant. The day that you sign up starts your Fast Start Bonus Program period. If you sign up on the 15<sup>th</sup>, you have until the end of that month, plus the entire following month (1<sup>st</sup> calendar month) to achieve the first goal in the program.

**Q: What is the Kit Credit? How does that work?**

A: In every business, you run across someone who really wants to sign up but does not have the money to do so. So, with that in mind, one of the prizes for the Fast Start Recruiting Bonus is a "Kit Credit" for the Mini Kit or the Business Builder Kit. You can use this credit to order a spare kit for yourself, or give the credit to someone who wants to join but does not have the means to at the moment. Please note that if you earn the Business Builder Kit Credit, the Referral Bonus does not apply to the person who joins using the Kit Credit.

**Q: What are the details of the program?**

A: The chart on the next page shows what the different levels are, as well as the rewards for meeting each goal.

**Q: If I have questions about the program, who do I contact?**

A: Contact your sponsor or submit a support ticket via your Mineralicious! Account Dashboard.
